"The German Question"

05.30 p.m. Panel Discussion

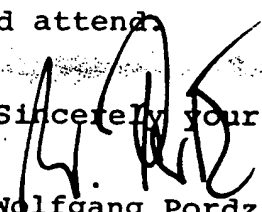

LOCATION: Vista International Hotel

Political observers and commentators on both sides of the Atlantic have come to identify the "German Question" as a revitalized issue on the political agenda of the Federal Republic. Catch-phrases like "Quest for National Identity", "New Nationalism on the Left", "Equidistance, Pacifism and Neutralism" have been used by the media to describe the newly emerging discussion. Yet, there seems to be the need for identification and clarification of the issue.

In order to provide for a better understanding of the "German Question", the Konrad Adenauer Stiftung will sponsor a panel discussion with leading experts from the United States and the Federal Republic. Please find a list of our distinguished panelists attached.

I would appreciate it if you could attend.

Sincerely yours,

  
Wolfgang Pordzik  
Director
